

ONE GOOD TURN

Meetings: First Tuesday of the Month 6:30PM Demos: Third Saturday 12:30PM

Great Falls Fire Training Station 1900 9th Street South Great Falls MT 59405

Beads of Courage

Thanks to all who made boxes for the Beads of Courage program. This will be an ongoing program because it is for such an important cause. Members are encouraged to make a box or boxes to donate

Next meeting is July 20. We will be making tools to be used as door prizes and for the silent auction at the symposium in Sept.

June 4 Demo

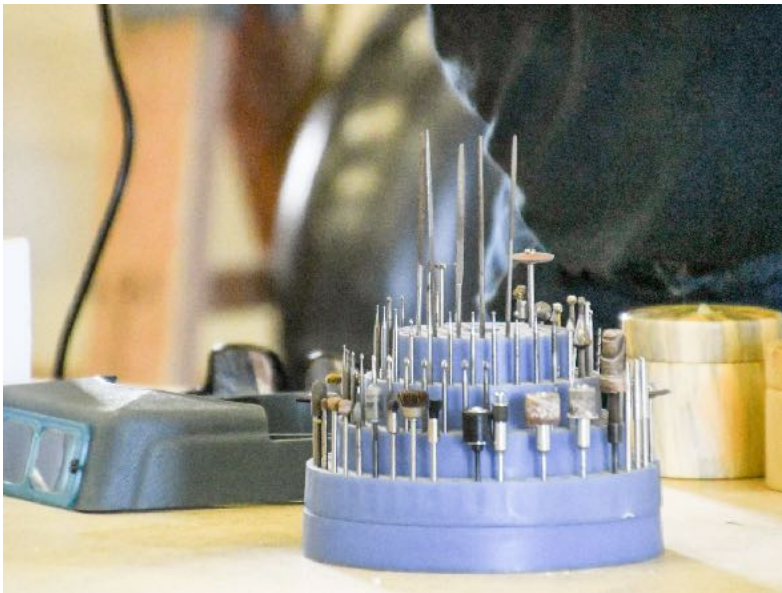

At the June 4 meeting, we were treated to a demonstration by Randy Setzer. He showed us how he uses a high speed rotating tool to add interest to a box lid. In this demo, he carved out a recess in the lid to fit a pewter set of lips that he had cast.

Symposium is Coming

The Symposium the year will feature Sam Angelo, a prolific turner from Wyoming, on Sat. Sept. 7 and Sun Sept 8, 2019. Please see the notice that is attached separately to this e-mail.

Sam Angelo can be seen on numerous videos on youtube.com

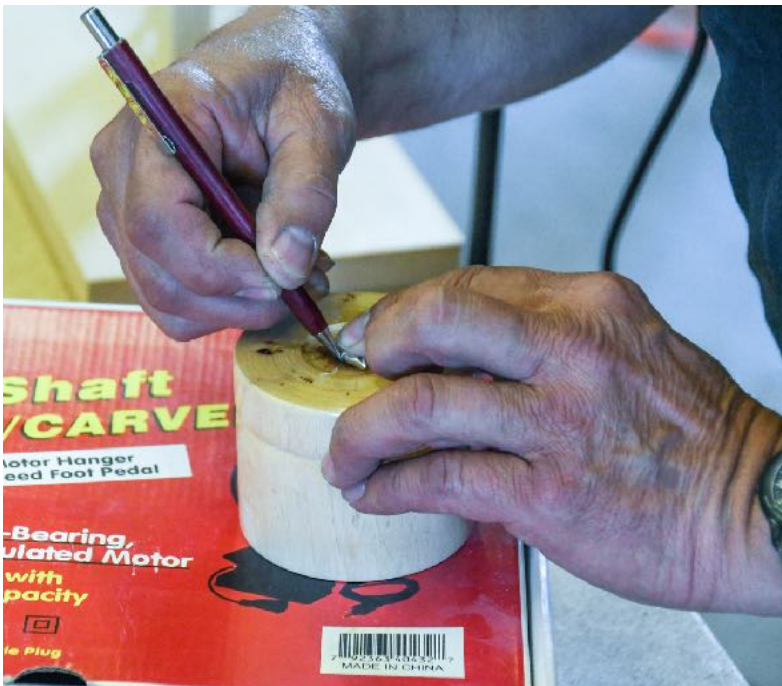

A selection of bits used in the demo

A steady and and lots of patience are needed for this project.

Tracing the outline of the insert

Checking the fit of the insert and marking areas still needing some attention.

June 16 Demo

At the June 16 demo, Tom Krajacich showed how he made a bowl from the crotch of a branch Hackberry. He first demonstrated how to use a laser pointer to help mount and balance the blank on the lathe. That tip was worth the price of admission.

The final fit. The insert is then epoxied in and finished with polish.

Roger presented Randy with a new t-shirt for being a first-time demonstrator for the club. Thanks, Randy, for the demo!

The laser used to center the blank

Starting to thin and shape the back side of the blank.

After sanding, the blank is reversed and the bowl is hollowed out.

A tenon is cut to mount the blank in the chuck

Making the finishing cuts.

Thanks to Paul Snyder for the great photos from each meeting and demo.

Website of the Month

Thanks to Sam for suggesting this month's website.

Demonstrators Wanted

The club will meet only once in July , but after the Club picnic, demonstrators are needed to fill out the calendar for the remainder fo the year. Please consider doing a demo fro the club. There are 31 members but only 7or 8 people volunteer to do most of the demos. Everyone has something to offer the club . If you have turned a project , you have a demo. If you have made a jig to make some aspect of turning easier, you have a demo. Even beginning turners can do a demo, And if you do not want to present alone, you can co- demonstrate with another turner. Sign up sheets will be available at the meetings.We need new people to step up. PLEASE.

Great Falls Woodturners Club Meeting/Demo Schedule

July 20 - Tool making

Aug 6 - Board Elections
Bring your jigs and home-made tools to show

Aug 17 - Club Picnic

Sept. 7-8 Sam Angelo

In Memoriam

I would be remiss if I did not mention the passing of one of our members. In May, Darrell Young passed away. He was a very active and supportive member of the Gt. Falls Woodturners. He will be missed.
