### **Demonstrators Wanted**

Demonstrators are needed to fill out the calendar for the remainder of the year. Please consider doing a demo from the club. There are lots of members but only 7 or 8 people volunteer to do most of the demos. Everyone has something to offer the club. If you have turned a project, you have a demo. If you have made a jig to make some aspect of turning easier, you have a demo. Even beginning turners can do a demo, and if you do not want to present alone, you can co-demonstrate with another turner. Sign up sheets will be available at the meetings. We need new people to step up. PLEASE.
