

# ONE GOOD TURN

Meetings: First Tuesday of the Month 6:30PM Demos: Third Saturday 12:30PM

## Beads of Courage

Thanks to all who made boxes for the Beads of Courage program. This will be an ongoing program because it is for such an important cause. Members are encouraged to make a box or boxes to donate

## A new meeting Place is in the Works

Thanks to the generosity of Dan Hershberger, we will have a new meeting place, shortly.

Moving day for the equipment now in storage is Sat Oct 3. Meet at 10:00 am at Out of Sight Storage 6065 2nd Ave North. Any and all help is appreciated.

Needless to say we are thrilled to have a place to have monthly meetings again and a home for all the Club equipment.

## Dues Are Now Due

It is that time of year again and our annual Club dues are now due. Dues are still a bargain at \$35 for the year. We hope to be able to soon have meetings in person or virtually by Zoom. The dues help pay for the Club insurance and also for a new Zoom account so that we may have unlimited time for our meetings with up to 100 participants. Please send your payment to

## Zoom Meeting

The second try at a Zoom meeting and Demo went very well. Sam had a new take on an old tool to show us and several work saving tips also. He showed us how to make three sided wire burner with three different sizes of wire in one tool, to save space and time. The demo was recorded and a dvd will be available. Contact Sam Sampedro if you are interested in a copy of this demo.

## Letter from the President

Great Falls Woodturners Club  
Recognition:

First, I would like to Thank the GFWT club membership for electing me as President for the up-coming 2020-2021 term. In that duty the GFWT club wants to recognize Roger Wayman as out-going President for his outstanding service to the club for the past 2 years. Roger stepped up to help out the club as President and made the trip from Cut Bank to Great Falls for all Tuesday evening meetings and Saturday afternoon meetings. However, some people may not know that he came to GF for multiple board meetings through out these two years. This was quite an accomplishment given rain, sleet, snow and a couple of encounters with deer that apparently didn't end well for the deer or for Roger's vehicles. What dedication to our Club. Additionally, he did multiple demo's for the Club during this time. We truly want to recognize his service. With that in mind a plaque and a \$75 gift card was authorized by the Board of Directors. Speaking of the Board I want to recognize the board members that served the club the past year, and their willingness to serve again: Vice-President Randy Setzer, Treasurer Chuck Kuether, Jay Eklund(also Newsletter Editor), Wayne Petrini, Camille Good. Additionally, I had served as Secretary during this time with great assistance from Sam Sampedro. With my starting tenure as President of the Club, Sam graciously accepted the position of Secretary. Sam also has braved the world

of Zoom for hosting remote board meetings and his up-coming Zoom demo. Furthermore, Roger Wayman is staying on the Board, and we Thank him for his on-going dedication to the Club. It is a strong board and very capable. We need this during the unique situation of COVID 19. Remember the pandemic will not go on forever. Thanks for being patient during this unusual time.

Stay Safe and Be Well.

Tom Krajacich, President GFWT

## Thanks to Roger Wayman

## Website of the Month

Dave Manix told me about the Engels Coach Shop in Joliet, Montana on You Tube. This is a Wagon/Wheel Wright who restores and builds wagons. What a craftsman. During the pandemic quarantine I watched his You Tube on “Winona Wagon Co. Iron-Clad Hubs” from May 8, 2020. It shows some marvelous wood turning for the rebuilding of wooden wheel hubs that are metal clad. The skill and workmanship of fitting up of these wheel hubs is something to see. If you have 27’37” of “time to kill” you surely will be entertained and awed by his craftsmanship. Thanks again to Dave Manix for telling me about this You Tube channel Engels Coach Shop.

4. Do something good with the ornament.

We have a process for selecting winners.

This year, we will ask for a club affiliation. For the clubs with the most entries to the challenge. I will offer an interactive remote demonstration at no charge.

More details are at

## On a Sad Note

Word was received this week that long time Club member Gordon Heimbaugh has passed away at the age of 78. Gordon was a founding member of the Club and was active for many years until health issues forced him to curtail his activities. No word at this time on funeral plans.
